The Panel shall report to the Court the result of its activities and specify the five (5) applicants, as finalists, which the Panel has determined to be the best qualified not later than ninety (90) days after the date of this General Order, unless otherwise directed by the Court.

Additionally, the Clerk of Court has published public notices regarding the appointment of a magistrate judge. The notices were published in conformance with the procedures specified in Chapter 4 of *The Selection, Appointment and Reappointment of United States Magistrate Judges* (Administrative Office of the U.S. Courts, October 2016).

It should be noted that effective September 13, 2016, the Judicial Conference of the U.S. Courts adopted amendments to the regulations governing the selection, appointment, and reappointment of magistrate judges. One of the amendments creates a new obligation on the part of the Court to notify merit selection panel members in writing of the restriction in § 420.30.20(d) as it applies to them, which essentially restricts panel members from applying for magistrate judge positions until one year has elapsed since the panel member served on the panel. This provision is found at § 420.30.10(c). Pursuant to notice from the Clerk of Court and this order, all panel members have been advised in writing of the restriction set forth in § 420.30.20(d).

FOR THE COURT:

So ORDERED and SIGNED this 11th day of August, 2022.

RODNEY GILSTRAP
Chief Judge
